

WAILING BANSHEE

HEAVY METAL // NWOTHM // HARD ROCK | UK

2025 EPK

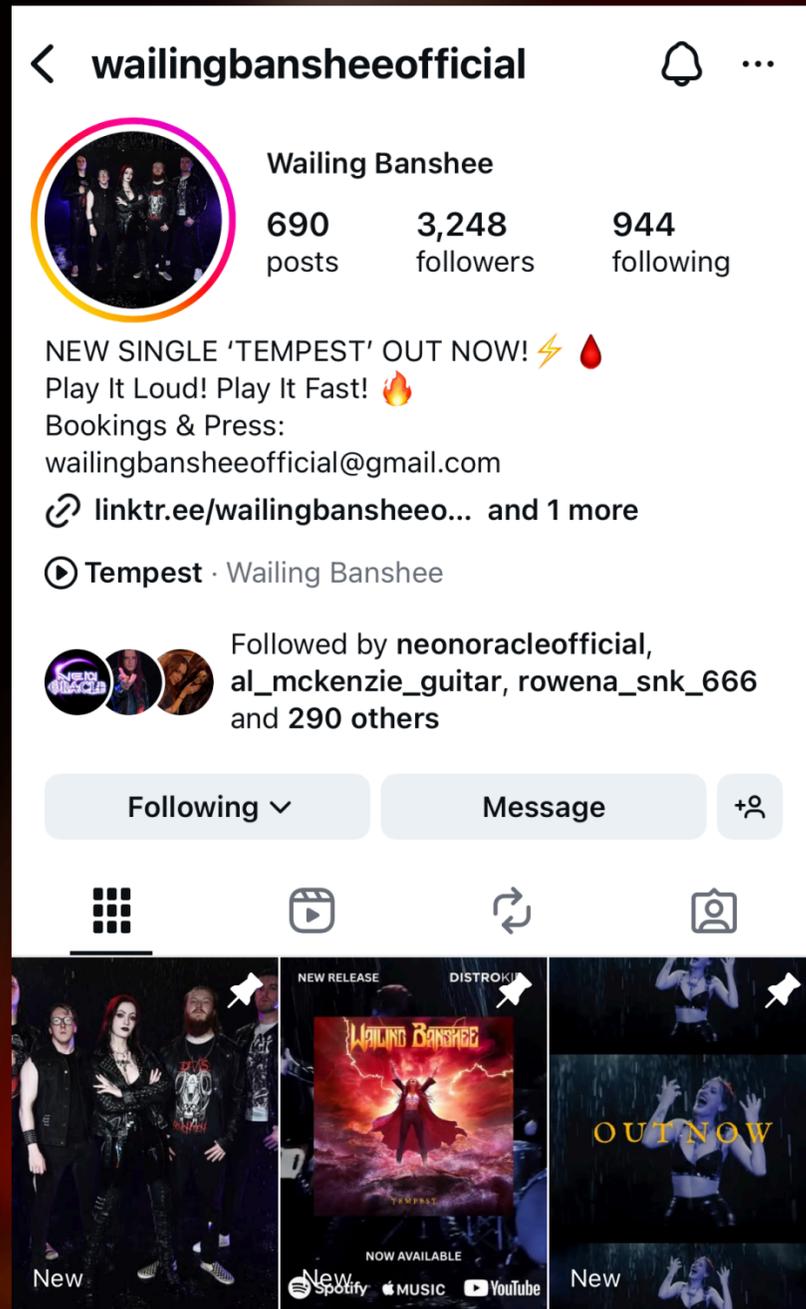

BAND BIO

WAILING BANSHEE earned their stripes the hard way. Riff by riff, with blood, sweat and tears they carved out a loyal following in the UK's underground Heavy Metal scene through nonstop touring and the release of their breakout EPs 'Fight To Be Free' and 'Worlds Apart'. Wearing their NWOBHM influences on their sleeves, this frenetic five-piece aren't trying to reinvent the wheel, they're fortifying it! With a relentless rhythm section, high-voltage twin guitars and in-your-face showmanship, Wailing Banshee's live shows have become a must-see event!
